LEGENDS CORE FEATURES

1. PAIRING BUTTON
2. RESET BUTTON
3. MICRO USB PORT
4. USB PORT
5. HDMI PORT
6. ETHERNET PORT

HOW TO SET UP

1. Connect the Legends Core to a TV or monitor via the included HDMI cable*.
2. Use the included Micro USB AC adapter* to power the Legends Core.
3. Switch to pairing mode on your controller (control device).
4. Press the pairing button on Legends Core and the pairing window will display on the screen.
5. Press the pairing button and select your control device. Long press the pairing button to confirm the pairing.

The control device:

- You may use the AtGames Legends Gamer series or third party controllers to connect with the Legends Core.
- While a variety of control devices may be able to connect, AtGames cannot recommend any particular device.
- The third party controller may not operate properly due to a variety of conditions, please follow the instructions on the third party device.

*Note: HDMI Cable (1ft); Micro USB AC Adapter Cable (5ft) are included.

QUICK START GUIDE

All screenshots shown are for illustration purposes only. Actual screens may vary.

1. Power on the Legends Core and connect to your control device.
2. Use your controller to select from [GAMES] to enjoy 100 pre-loaded games. (Note: Internet connection is not required. The games can be played offline.)
3. To access the internet, connect an Ethernet Cable (not included) or go to [SETTINGS] to connect through Wi-Fi.
4. To connect through Wi-Fi:
 - 4-1. Select [Wi-Fi] under the [SETTINGS] page.
 - 4-2. Select the Wi-Fi SSID you would like to connect to, and select [Connect]. If prompted, enter the Wi-Fi password using the on-screen keyboard and select [Submit] when done.

HOW TO UPDATE FIRMWARE

1. Power on the Legends Core and connect to your control device.
2. Connect internet via Ethernet (Ethernet cable is not included) or Wi-Fi.
3. Go to [SETTINGS] and select [Version].
4. If there is a newer version, follow the instructions to download the latest firmware. Make sure the internet connection is stable during this process.
5. Once the firmware is downloaded successfully, select [Upgrade] and the device will reboot automatically to activate the new firmware version.

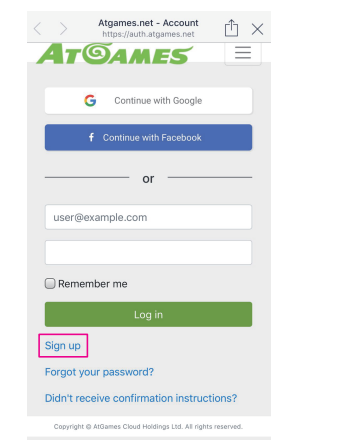

Note: If you encounter any issues on firmware update, please contact support@atgames.net

HOW TO SIGN IN WITH YOUR ARCADENET® ACCOUNT

1. Go to [SETTINGS] and select [SIGN IN].
2. Sign up for a new account if you don't have one yet.
3. Once you have an ArcadeNet® account, you can choose either to sign in with your email or with the QR Code. To sign in with your email, enter the email address and password.

4. To sign in with the QR Code, a smartphone is required.
5. Use a smartphone to scan the QR Code on the screen to launch the ArcadeNet® website. You will be directed to the login page, where you can choose either to sign in with your existing Google/Facebook account or your e-mail.

6. You will see the authorization notification once complete. Now you can close the window and return to your Legends Core. A "Success!" message will show on the screen once signed in.

WHEN TO SAFELY POWER OFF LEGENDS CORE

Do not power off the Legends Core during the following:

- Firmware update
- Factory reset
- Data cleanup
- Read/write USB drive

This could prevent irreversible data loss and/or damage to your device or USB drives.

WARRANTY INFO

The manufacturer warrants this product to be free and clear of defects in the materials and workmanship, under normal residential use and conditions, for a period of thirty (30) days from the original invoice date. Shipping and handling fees are to be paid for by the customer. To make a warranty claim, please submit a service request here: support@atgames.net.

Standard warranty coverage for the AtGames Legends Core does not apply to and is considered invalid due to misuse, improper maintenance, self-repair, tampering, or invasive hardware modifications of any kind, and damages or dysfunction caused by shipping or non-manufacturing related causes.

Note: Standard warranty services are valid with receipt from an authorized retailer. Purchases through third-party sellers and resellers do not fall under the standard warranty program. For warranty support, please contact the third-party seller or reseller where you purchased the product.

SAFETY NOTICE

- Do not submerge the device in water or expose it to extreme heat or to strong magnetic fields. Doing so may cause permanent damage to your device.
- Always use a dry towel to clean the device.
- Transformers are suitable for indoor use only. Transformers and power supplies for toys are not intended to be used as toys, and the use of these products by children shall be under the full supervision of parents.

FCC WARNING

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

ISED STATEMENT

- EN** This device complies with Industry Canada license - exempt RSS standard(s).
